VIA ECFS Docket No. 20-205

Ms. Marlene H. Dortch, Secretary  
Federal Communications Commission  
Office of the Secretary  
445 12th Street, S.W.  
Washington, D.C. 20554

Re: Incumbent earth station owners' election of a lump sum

Dear Ms. Dortch:

Advanced Satellite Systems, Inc. ("Operator") is an "incumbent Fixed Satellite Service (FSS) earth station operator" with eligible earth stations as defined by the FCC. In accordance with the instructions stated in the Public Notice, DA 20-802 Released: July 30, 2020, Operator hereby submits the following election for a lump sum payment totaling \$1,448,064.00.

Pursuant to the Public Notice, Operator provides the following data in the attached spread sheet for the elections of the stations:

<b>Spreadsheet Columns</b>	<b>Data</b>
A	Licensee / Registrant / Applicant Name
B	Earth Station Callsign
C	Site ID
D	Antenna ID
E	Associated Antennas – <i>Number of antennas associated with that Antenna ID</i>
F-K	Site address – <i>F. Site Street 1; G. Site Street 2; H. Site City; I. Site County; J. Site State; K. Site Zip Code</i>
L-S	GPS coordinates of the earth station – <i>L. Lat Deg; M. Lat Min; N. Lat Sec; O. Lat Hem; P. Lon Deg; Q. Lon Min; R. Lon Sec; S. Lon Hem</i>
T	File Number – <i>File Number(s) of current authorization and/or pending application</i>
U	Eligibility Confirmation – <i>Confirmation that the earth station meets the definition of incumbent earth station under 47 CFR §§ 27.1411(b)(3) and 25.138(c), including indication of whether earth station appears on the International Bureau's final list of eligible earth stations</i>
V	Lump Sum Election Category – <i>for each registered antenna at that registered earth station site (e.g. Receive Only ES Single-feed; Receive Only ES Multi-feed; Small Multi-beam (2-4 beams) ES, etc.)</i>
W	MVPD Site – <i>(Yes or No) Whether earth station site is an MVPD earth station site (to claim the per-site technology upgrade installation amount)</i>
X	Lump Sum Amount Claimed – <i>Total lump sum amount claimed for that earth station (calculated by the number of registered antennas at that incumbent earth station multiplied by the relevant lump sum base amount, plus technology upgrade installation amount if MVPD)</i>
Y	Transition or Discontinue – <i>Whether the incumbent earth station will be transitioned to the upper 200 megahertz in order to maintain C-band services or will discontinue C-band services</i>

CERTIFICATION and ACKNOWLEDGEMENTS

I, the undersigned, an authorized representative of the Operator, certify that:

1. The information contained in this lump sum election (including the attached spreadsheet) is true and accurate to the best of my knowledge;
2. All earth stations for which the lump sum is being elected will not have ceased operation more than 90 days before the deadline for the lump sum election;
3. Operator intends to continue to receive content from a satellite operator after the transition, and accepts responsibility for undertaking the necessary transition actions in accordance with the timelines set forth in the satellite operator's Transition Plans;
4. Operator agrees to coordinate with the relevant space station operator as necessary to complete the transition;
5. Operator hereby irrevocably releases all claims for reimbursement for actual reasonable relocation costs from the Relocation Payment Clearinghouse, eligible satellite operators, or video programmers; and
6. Operator hereby irrevocably releases all claims against the payor and/or Commission with respect to any dispute about the amount received.

Respectfully submitted,

Advanced Satellite Systems, Inc.
